

New Barnetby Trail

DIFFICULTY RATING ★ ★

5.3 miles. 2hr 45 mins.

Start - Caistor Road, New Barnetby, DN38 6EB

- 1 Go downhill down Caistor Road at public footpath sign turn left, which heads slightly uphill continue to Stile.
- 2 Go over stile into horse paddock and out other side via stile (this horse paddock can be avoided by going along left side of hedge) to road.
- 3 At road turn left, cross road, at public footpath sign go right and continue ahead, through gate, veer left at bottom of field through wooden gate onto Old Post Office Lane.
- 4 Turn right along Queens Road, cross to pavement on other side, continue along St Barnabas Road to mini roundabout.
- 5 Turn left down Victoria Road, continue until before railway bridge.
- 6 At public footpath sign turn right, continue straight ahead with railway line on left, continue uphill, at top continue straight ahead through wooded area, bend right and go through wooden gate continue ahead to the road in New Barnetby.
- 7 Cross road to public footpath sign, straight ahead, railway line still on left, through wooden gate, continue straight ahead to another wooden gate to road.
- 8 At road turn right for short distance, cross road and turn left at public footpath sign, walk through crop field (may not be reinstated).
- 9 At end of wood dog leg right (be warned large camouflaged irrigation pipe may be hidden under overgrowth here).
- 10 Follow track to left to tarmac track, continue on track heading for airport.
- 11 Turn right onto a lane gaining entry through an unusual walker-friendly gate go down lane for short distance.
- 12 At public footpath sign turn right (may be overgrown), continue on this track over a wooden bridge and continue through a wooded area, then ahead through a crop field (may not be reinstated) continue along edge of field, when reaching a track veer right and keep hedge to left (beware irrigation pipe running along side and over public footpath).
- 13 Before hedge bends right, take the left track through a wooden gate in hedge, head straight on through crop field (may not be reinstated) to wooden gate, go through gate slight left then continue on track back to road where cars are parked.
